PROFESSIONAL SUMMARY

Adaptable and tech-savvy Hospitality Professional with extensive experience in Front Desk operations and guest coordination across high-pressure seasonal environments in Greece and Bulgaria. Proficient in HotelBrain PMS and complex booking workflows, I combine a Computer Science background with a guest-centric approach. Proven track record in streamlining check-in/out processes and delivering high-quality service recovery, ensuring seamless operations in boutique hotels and luxury apartment complexes.

EXPERIENCE

- Ski Technician** 2024 - 2025
