PROFILE

Adaptable and customer-oriented Front Desk Agent with hands-on experience in seasonal hotel operations across Greece and Bulgaria. Skilled in guest relations, check-in/check-out procedures, and PMS software (e.g., Pylon/HotelBrain), with strong multitasking abilities in fast-paced hospitality environments. Proactive team player supporting cross-departmental hotel operations. Technologically adept, with certifications in Python, UX/UI design, digital marketing, cybersecurity, and automation. Fluent in English, with a natural talent for creating warm and professional guest experiences.
